

Parochial School, or 1st Responder Discount Camp Registration Information

These special day rates are \$45/day! That's \$25.00 off of our in season \$70.00 day rate. In order to lock into that rate for the season you need to make an initial purchase of 5 days of camp (\$225)- The dates can be adjusted closer to camp, but we will be limiting our daily camper enrollment to 250 per day so in order to guarantee your child's attendance you want to choose your days sooner rather than later.

To start the process:

Use the online registration link below to register and purchase, with a credit or debit card only one day of camp at the current /day rate. Please let us know when this is completed so we can then go in and register and charge your card on file for the additional 4 days. All 5 days will be discounted at the \$45.00 day rate.

Online 2019 registration link:

<https://thriva.activenetwork.com/Reg4/Form.aspx?IDTD=6207616&RF=11910603>

****You are not able to register for your own discounted days so any additional days you require will have to be done by us. Again an email letting us know what dates you want, a minimum of 7 days prior is all that is needed. If there is still space we will go in and register your child for those days. We will be charging your card on file at the time of the Registration.*

Eligibility requirements for Parochial School or 1st Responder \$45.00 per day rate:
