

“New” Camper 2019 Camp Information

Our “New” Camper special day rate is \$55/day up to June 1st 2019!

That’s \$15.00 off of our in season \$70.00 day rate.

Starting June 1st 2019, our “New” Camper day rate increases to \$60.00 per day.

In order to lock into that rate for the season you need to make an initial purchase of 5 days of camp (\$275 before June 1st 2019) or (\$300 starting June 1st 2019) The dates can be adjusted closer to camp, but we will be limiting our daily camper enrollment to 250 per day so in order to guarantee your child’s attendance you will want to choose your days sooner rather than later.

To start the process:

Use the online registration link below to register and purchase, with a credit or debit card only one day of camp at the current /day rate.

Please let us know when this is completed so we can then go in and register and **charge your card** on file for the additional 4 days. All 5 days will be discounted depending on the date of registration at the \$55.00 or \$60.00 a day rate.

*You are not able to register for your own discounted days so any additional days you require will have to be done by us. Again, an email letting us know what dates you want, a minimum of 7 days prior is all that is needed. If there is still space, we will go in and register your child for those days. **Space is not guaranteed** so again the sooner you choose your days the better. **We will be charging your card on file at the time of the Registration.***
