

Thanks for your interest in Adventureland Day Camp. We are different than most camps in several ways:

- We operate on a day rate, so no long-term commitments or minimum attendance is required. There are "39 days of summer" in our Base Camp program.
- You don't have to purchase all your days at once, but the Day Rate increases as we get closer to camp starting
- Payment plans are available.
- Our "Find Your True North" curriculum is S.T.E.A.M based.
- We have a 20 Acre site with a 3 Acre spring-fed lake for extensive water activities and studies.
- We provide Red Cross certified swim lessons for all campers.
- We operate on an innovative Zone Schedule.
- We are an owner/operated day camp. This means we haven't just owned Adventureland for over 60 years but actually work here as counselors, specialists, and administrators.
- Our in-season day rate is \$75.00. We offer several discount opportunities based on time of purchase or classifications eg: 1st Responder, Parochial School Students, Sibling and early Paid in Full discounts.
- Daily enrollment is limited to 200 campers.
